EVERYTHING YOU WANT IN A KEEPSAKE RING:

DURABLE. QUALITY. CHARACTER. CUSTOM.

STEP 3: CUSTOM SIDES

Traditional side designs are shown on pages 20-23, but if there is something you love or want and don't see, we can NOW help you create the ring of your dreams.

Designing your custom side is easy!

Follow these steps below to get started...

- Get your order form from your school class ring representative or download it at NRPrings.com/customsides
- Check the CUSTOM SIDE DESIGN box on the ring order form
- Attach a sketch of your artwork* or a photo* reference to the order form
- Submit your order form and artwork/photo to your **sales rep**
- Receive your custom artwork proof from your sales rep via e-mail. Additional charges will apply.

SEND US A PHOTO

Not an artist? Take a photo, or two, and e-mail them to your rep.

*If you can dream it,
we can create it!*

SUBMIT YOUR ARTWORK

Taking your sketch and turning it into a custom ring side has never been easier!

*Photo and artwork requirements: For best results a resolution of 300 dpi or higher is required for the successful upload of artwork. Accepted file types include BMP, GIF, JPG, JPEG, PCT, PICT, TIF and TIFF. Artwork will be modified for manufacturing purposes. By sending NRP your artwork, you agree that you own title and rights to this art for reproduction. You will be liable for any copyright infringement. You also authorize that all art created, for manufacturing purposes, will remain property of NRP.

STEP 4: Choose Your METAL

CHOOSE THE PERFECT METAL FOR YOUR RING

SILVER VALERIUM™ – Strong and durable with a perfect shine. A white semi-precious metal consisting of silver and other fine jeweler’s alloys.

GOLD VALERIUM™ – Strong and durable with a beautiful shine. A yellow semi-precious metal consisting of gold and other fine jeweler’s alloys.

PREMIUM SILVER – Classic, affordable and timeless. A Sterling Silver ring consisting of 92.5% pure silver and 7.5% other fine jeweler’s alloys, enhanced with a white gold over-layer for a lasting shine.

10K WHITE OR YELLOW GOLD – An everlasting keepsake. 10K Gold is over 40% pure gold with a mixture of other fine jeweler’s alloys.

14K WHITE OR YELLOW GOLD – One of the most precious metals available. 14K Gold is over 58% pure gold with a mixture of other fine jeweler’s alloys.

OBSIDIAN – Edgy and distinctive NEW option. A white semi-precious metal consisting of silver and other fine jeweler’s alloys with an overlay of black metal color coating.

DUAL METAL – Dynamic combination of two different metal colors. Available in black/silver, silver/gold with natural finish, and silver/gold with antique finish.

Metal Finish

All rings are available in your choice of Natural or Antique finish. A black antique finish enhances the details on your ring’s design by creating contrast and definition. A natural finish provides a more delicate and harmonized look to your ring’s classic beauty and elegance. If a metal finish is not selected, ring will be antiqued.

Inside Engraving

Add your full name or initials to the inside of your ring! Inside engraving of your full name allows for up to 15 characters (up to 8 characters on finger sizes 5.5 or smaller). Choose between Script or Block font. Please note engraving will be exactly how you write it, i.e. McNally, SCHMALLS, jordyn.

Accent Stone Colors

When selecting a ring that has accent stones, you may pick from the 3 simulated birthstones below. Accent stone pricing may vary per ring, see your sales representative for details.

WHITE ZIRCONIA

CUBIC ZIRCONIA GARNET

BLUE SAPPHIRE

Accent stone upgrades only available in the choices shown above.

Diamond Option

For added sparkle to your unique class ring, upgrade any of the cubic zirconia accent stones (if applicable to your chosen ring design) with genuine diamonds. Additional charges apply. Please see your sales representative for more details. Only available on rings where the Diamond Symbol (above) is featured.

Shield Crest Option

Only available on rings where the Shield Crest Symbol (above) is featured. Allowed with smooth and spectrum cut stones only. Not available with specialty quad color or shimmer stones.

SHIELD

ABCDEFGHIJ
KLMNOPQRS
TUVWXYZ

FONT FOR SHIELD CREST INITIAL

Dura-Color Options

FOR ELITE RING FROM PAGE 9.

Dura-color options for letter/number on top of ring. (Dura-color may vary slightly from color shown in catalog)

Lighter color stones are recommended for protected emblems. Adding this option will lighten your center stone. Each stone is unique and color may vary from photos shown on pages 18-19. These designs are not available as side designs or with specialty quad color or shimmer stones.

Note: 1-99 digit designs are also available for protected emblems. Please see sales representative for more information. Protected emblem designs are not recommended with Garnet, Sapphire, or Emerald stones, and are not available if shield crest option is chosen.

Buy with confidence!

NRP'S CLASS RING WARRANTY

National Recognition Products (NRP) gives you peace of mind.

NRP class rings are handcrafted to the highest standards. The following services will be performed without charge for the original owner of all NRP rings:

- FREE lifetime warranty, no need to buy additional coverage
- FREE resizing of rings. See info below for qualifying metal types.* **NOTE: Resizing of Obsidian and Dual Obsidian Metal is not included due to the makeup of these rings.**
- FREE replacement of damaged or lost simulated birthstones based on normal wear and tear*
- FREE refinishing and polishing
- FREE replacement of your ring with a new ring if repairs cannot be made due to defects in workmanship
- FREE one-time exchange of your class ring, should your graduation year change
- FREE one-time exchange of your class ring if you change schools before your year of graduation (NRP will manufacture the same or equivalent ring for your new school)

Ring Warranty Made Simple

In the unlikely event your class ring needs repair, follow these easy steps:

1. Visit us online at NRPrings.com
2. Fill out the class ring warranty form from the link at the bottom of the homepage and print it.
3. Send the warranty form, your ring and a letter of instruction through an insured, traceable method to:

**NRP Warranty Service Center
c/o Ring Warranty Center**

4875 White Bear Parkway, White Bear Lake, MN 55110

Email: NRPrings@taylorcorp.com

*Note: Resizing is included under the warranty for two sizes smaller or larger than original ring size ordered. If resizing does not fall within specified parameters, additional charges may apply – please contact your sales representative for more info.

See your school representative for pricing.
