## CHOICE OF METALS

Complete your custom designed ring with the metal of your choice.

**10K Yellow or White Gold:** A timeless, premium option crafted in genuine gold—available in classic yellow or modern white. Gold holds its value over time, making this a lasting investment and meaningful keepsake.

**Super Silver:** An upgraded sterling silver designed for daily wear—brighter, stronger, and more resistant to tarnish than traditional silver.

**Premium Silver:** A platinum-infused silver blend offering a brilliant white finish with enhanced durability—delivering a high-end look at an excellent value.

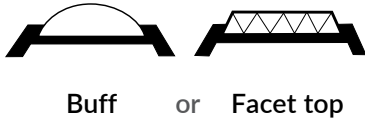

**White Aztec:** A durable, non-precious metal with a bright white shine—an affordable option that still offers a clean, polished appearance.

Mascots, Sports, Activities, Zodiacs, Letters and many other designs are available under the stone.

Complete your custom design ring with the stone of your choice.

It's best to use a light colored stone with a smooth, buff top

Design unders and encrusting not available with Petite rings.

### ECONOLINE COLLECTION

We realize that some parents may prefer a "precious metal" Class Ring, but are looking for an "economy purchase". This promotion provides this alternative. The Econoline Class Ring is manufactured with contoured back construction which make it lighter in weight and consequently more a°ordable. Ask your SSC representative for more information.
